You are welcome to bring your own bottle of wine and we will serve it to you.

We try to assist with food allergies as much as we can, and have a “free from” menu available.

Some of our products contain nuts.

V = Suitable for Vegetarians.

Abbey Cottage has been owned by the same family for three generations and was opened in 1983 as a tearoom. In our first year we gained an entry in Egon Ronay’s “Just a Bite” Guide.

In 1998 we were a finalist in the “Natural Cooking of Scotland” section of the Thistle Awards. In November 2002 we gained Scotland’s top catering accolade - The Macallan Taste of Scotland Award - as the nation’s Best Coffee Shop. In 2012 we were a Regional Finalist in the Thistle Awards.

Each year for the past 10 years we have received an award of excellence from The Tea Council in The Top Tea Place of the Year Awards.

Our goal has always been to serve good, honest food in a relaxed and informal environment. All our meals are freshly prepared and made to order. Please bear with us if this takes a little longer than establishments selling fast food.

We make our jam using fruit from our own garden which also provides us with seasonal herbs and salad leaves.

We trust that you will have enjoyed your meal and that you will return soon.
